Volume 1, Issue 1

Hello, my name is Laurie Berube, the new Recreation Director for Birch Hills.

I have been meeting with the community and gathering information in regards to recreation desires. The number one concern has been the need for a communications newsletter. There are many committees hosting activities and events and I want to help spread the word to give everyone an opportunity to participate. I am offering anyone, business or organization that has an event coming up to email the office at 'birchhillsrec@sasktel.net' with the information and I will post in the next newsletter issue. Paper will soon be available on line at 'www.birchhills.ca'. Please feel free to contact me or flag me down if you see me around town. I would like to hear from you and I look forward to working with the Town of Birch Hills.

Recreation Activities Sponsored by Sask Lotteries Fund

Attention Softball Fans:

There has been interest in starting an adult fun league. Please contact the Recreation Office at 749-2251 to register or for more information. Days and times to be determined by interested participants.

Heritage Days

On June 10th, over 200 kids from Birch Hills and Prince Albert visited the Birch Hills Museum for their annual Heritage Day. Children were taken on guided tours through the museum and through displays of antique farm machinery. Visitors were entertained with Native dancing, a petting zoo and wagon rides around town. Later that afternoon, Alice McIntyre played the piano while Grades 1-5 students performed the Schottische in the gymnasium. Thank you to all the kids & volunteers that organized and participated in another successful Heritage Day.
