Issue 29

Greetings Folks,

What a great response to my last write up and I am glad that many of you were inspired. There is always so much that needs to be done and to see people stepping up to accept the tasks is great to see. On behalf of your community, I Thank You!

One thing to add; the elderly fellow that motivated me to write that piece, and darn it if I even forgot to mention it, so I would like to thank Ernest Stensrud for his endless efforts of collecting garbage off our streets and keeping Birch Hills a clean place to live.

To our farmer friends and family, please be careful in the fields...

To all Enjoy life!

Joseph Ray Watkins founded Watkins Incorporated in 1868 from the kitchen of his home in Plainview, MN. Watkins was so confident of his home-manufactured product, Dr Wards Liniment, that he introduced the now famous Watkins "Trial Mark" bottle, along with the first-ever money back guarantee.

The company expanded its line to include products such as Petro-Carbo Salve, Medicated Ointment, Cough Syrup, Vanilla, Black Pepper, Cinnamon, toilet bowl cleaner and the famous insect repellent.

Today, Watkins is a household word and they still back their products with 100% money back guarantee.

Threshing Day 2012

The 16th annual Threshing and Family Fun Day put on by the Birch Hills & District Historical Society on August 12th was a Huge Success. The weather was perfect, and the large crowd took part in many events. One hundred and sixty of us started the day at the pancake breakfast put on by the Town Council; with proceeds going to Civic Centre improvements.

The Coverall building at the museum was filled for the Ministerial Association church service. A note was made to have more seats next year. Collection from the service will be used by the Association for projects such as Christmas hampers. The parade is always a highlight and while it wasn't as long as some years, there was lots of variety and enthusiasm. Then it was over to the museum to fill up on everlovin' hamburgers, hot dogs, beef on a bun, pie, ice cream- You couldn't ask for more!!

The afternoon was jam-packed with activities for all. The Hovdebos kept the children busy with races and a museum scavenger hunt. Meanwhile there was serious bidding going on at the silent auction in the metal shed. The entertainment in the Coverall by the Sinclairs and McIntyres was followed by a wonderful auction sale of museum quilts.

The Quilts were a really special addition to our events this year. They were made from fabrics and pieces donated by many; and put together with loving hands in the museum auditorium. Thanks to Corinne (Silde) Ginter who was the auctioneer for nine of them. Two of the quilts were raffled, and won by Rebecca Fines and L. Pylypchuck.. Two quilts were sold in the silent auction. All in all those quilts raised \$1728.00. WOW!

After 2 years without Threshing we were all glad to see Sheldon and his gang back at it. Bob McRury was again in charge of the 50/50 draw. A big thank you goes out to ALL the many volunteers who helped with work and displays all day.

We welcomed the participation from the Community Church Youth Group, Carl and Sandra Barber with products from Northern Light Orchards, and Naomi Hunter with Silversmith Jewellery.

A great day. Thanks for coming. There are plans for next year. We could use some more help. Could it be you ?? Shirley Ulvild

Birch Hills Skating Arena Membership Drive

The Skating Arena has plenty of potential to be a place to be this winter with out having to drive 30 minutes each way from home! It can be the place for our community to meet for exercise with friends and family, or to eat good food with them while watching our kids play hockey and learning tricks on the ice. We can cheer on our Senior Hockey Team... "GO BLACKHAWKS!!" ...who just formed again last year and soon they will be reuniting for a new and exciting year. Our team can only be as good as their fans! But with that said, you must be informed that having a skating arena here in our community takes some cash. Our rink costs \$150-200 per day to run just for our Sask Power, electrical bill. With support and participation and trying new ideas, this can still be feasible. Last year, our arena would have made clear of expenses, however many much needed and important capital investments were made in the rink. This year a good portion of the cosmetic upgrades, that are being planned right now will hopefully be completed before start up in October. Which by the way if you can offer any services or expertise, specifically painting and cleaning, let me know.

The rink has a few fundraisers each year ie: The Skating Club puts on a Skating Carnival showing off their kids routines and cute costumes. Hockey tournaments and games bring in visitors & families from out of town. The Town of Birch Hills offers land for local producers who volunteer to seed crops of grain that are later sold for funds to use towards rink expenses. This is a huge fundraiser and a BIG THANK YOU to all the producers and businesses that have been a part of this project so far. Hockey Day in Birch Hills will involve all the rink user groups to take part in a province wide rink appreciation campaign, which will take place the November 17th weekend...mark your calendar!

Other ideas are; to have a membership drive for the arena. For the 2012-13 Season a Family can purchase a membership for \$75. Skating Club and Minor Hockey Family Rates and a Single membership will be \$30. The barer of a BHS membership card, is eligible to receive Rink Coffee Cards throughout the Rink Season. (buy 10 get one free).

A \$3 drop in fee will be charged to all users. (Please pay at the canteen) It is recommended that all children be accompanied by a responsible guardian. Public skating hours will be determined after hockey and skating have confirmed their skating times. Possibly new this year, daytime public skating. In the canteen, we would like to try a Sunday Brunch and Family Skate. Watch for details on these and other kitchen specials.

Have you thought about booking private ice times for a staff or a Birthday Party or a Family Reunion during Christmas holidays? If you have any other ideas, let me know.

We would also like to promote a more environmentally friendly facility by offering a discount to customers who bring in their own re-usable beverage container for coffee, tea or hot chocolate. Less waste and save \$\$ at same time.

This is your community meeting place in the winter months, with a possibility to someday be utilized year round. Your help is needed to keep a skating rink in Birch Hills. **Thursday, September 6th**, is Minor Hockey and Skating Club registration Day. This is also your chance to buy a season pass for you and your family in support of your Skating Arena. Memberships can also be purchased throughout the upcoming season. Thank you,

Laurie Berube, Rec Director

Currently, our Bylaw Enforcement Officer has been trying to inform the community of the Town's Municipal Bylaws. Presently, the Officers are focussing on the Town's Traffic Bylaw. If you have any questions regarding the Traffic Bylaw or any other Bylaw, please do not hesitate to ask the Bylaw Enforcement Officer or feel free to stop by or contact the Town Office.
