Birchview fund raiser

The Birch Hills and Area Health foundation and the Birchview Auxiliary are raising funds to replace the Sits Tub for the Birchview Nursing Home residents.

A new Sits Tub is worth \$24,000.00.

The Foundation has received a donation from Affinity Credit Union for \$7,500.00 and an anonymous donation to match up to \$5,000.00 in additional local donations.

In order to raise the additional funding, the Birch Hills Birchview Auxiliary is having a fund raising supper on September 12th. We hope everyone can attend as the foundation will have a table set up to receive tax deductible towards the Sits Tub project.

For more details, please watch for more information coming from the Birchview Auxiliary.

August NEWSLETTER SPONSORED BY:

The Birch Hills Sk Ladies Club is honored to sponsor the August 2019 Heartbeat.

The Birch Hills Ladies Golf Club was founded in 1980. It was such a pleasure going through the list of names of the ladies that attended the original organizational meetings of our club, and we are honored to share them with you. During the two organizational meetings the following members attended: Helga Storer, Mildred Stobbs, Stella Rinholm, Agnes Crawford, Tori Enns, Val Brewster, Magdaline Warder, Myrtle Brown, Patty Stamnes, Kathleen Sorenson, Bernice Stevenson, Chris Stewart, Rowana Quayle, Thelma Newhouse, Lorna Braaten, Eunice Stamnes, Darlene Andal, Barbara Pratt, Irene Olsen, Rita Strand, Lila Lowe (?), Vera Foster, Therese Strand, Eleanor Clark, Frankie Grambo, Doris Lewis, Verna Gordon, Effie Cook, Margaret Ihrig, Greeta Hoknes, Betty Adams.

If any of the names are misspelled, apologies!!!! The names were being read from a 39-year-old handwritten sheet of paper!

It is so touching to realize that we have one of those original attendees still golfing with us and still a very active member of our club, none other than Myrtle Brown, whom we adore! It is also so moving to note that three of the ladies on the list, have daughters that are currently part of the club that they founded: Jan Bliss (Agnes Crawford), Val Quayle (Rowana Quayle) and Gaylene Cooke (Betty Adams).

It was also of interest to me, personally, to find out that Arnold Ganes, who was the president of the main Golf Club at that time, chaired the meeting for the ladies! My father-in-law does love his golf and it makes so much sense, that he would also assist with organizing this club!

We do regret to say that this ladies club has dwindled in size since that first organizational meeting, but NOT in our passion for the game!

The ladies club is responsible for the beautiful little garden by the 1st tee box that is a memorial to Darlene Elsaesser who was beloved in the community and out at the golf course.

The ladies club is also responsible for hosting one of the bigger tournaments that is held yearly at our course. The Harvest tournament is capped at 80 women but if we could manage it, that number would go up and up! With our small membership contributing prizes to this tournament, it is amazing that we can handle prizes for all participants! This tournament is typically full within 2 days of the posting going out!

The ladies club purchases an item for the golf course or clubhouse almost every year from any profit we may have. Two items that come to mind are a ball washer for the course, and a big mixer for dough (for the fresh bread served daily!!) for our clubhouse.

The ladies club also donates to Ronald McDonald house yearly, as we recognize the role it has played for members of our community who have utilized its services.

The ladies club golfs once per week, every Tuesdays, at 9:30 am. We always welcome new members and new golfers to join us. And if you need a lesson or two, the Golf Course has certified Community Coaches that are available to provide you with this. Feel free to contact Lorisa Ganes to arrange lessons!

Please feel free to call/text Lorisa Ganes (President) at 306 749 7756; Jan Bliss (Club Captain) at 306 961 7401, Sandra Barber (Past President) at 306 749 7040 for further information. Or visit our Facebook Page Birch Hills Sk Ladies Golf Club for updates.

NOTICE TO THE PUBLIC

A public meeting will be held to discuss the proposed development of a non-hazardous municipal solid waste regional landfill in the RM of Birch Hills No. 460.

Date: August 21, 2019

Time: 7:00 p.m.

Place: Birch Hills Civic Centre - 126 McCallum Avenue, Birch Hills, SK

Come and listen to a presentation about this proposed development. Topics will include the following:

- process followed to this point
- preliminary site findings
- features and specifications of a modern engineered landfill
- benefits of the proposed development
- next steps
- question and answer period

If you have any questions or comments about the proposed development, email Curtis West at cwest@greenlandwaste.ca or call (306)535-2517.

If you have any questions or comments about the public meeting, email rm460@sasktel.net or call (306)749-2233.

RM of Birch Hills Proposed Development:

Non-Hazardous Municipal Solid Waste Regional Landfill

Description: A commercial non-hazardous municipal solid waste landfill is being proposed to accept waste from the region surrounding Birch Hills in Northcentral Saskatchewan.

Project Details

- Proposed location is NE Sec 05 Twp 46 Rge 23 W2.
- Truck route will be south from Highway 3 (exact location is yet to be determined).
- Estimated number of trucks that would enter the site is six per day.

Site Details

- Preliminary drilling results of the site were positive, with glacial till being the primary soil across the site. These soils appear to be competent. Soil testing is ongoing.
- Topographic survey of the site has been completed using an unmanned aerial vehicle (UAV). The UAV lidar survey produced findings that indicate the proposed site would be appropriate for a landfill development.
- If the proposed development proceeds, it will be a state of the art landfill facility.
 - Site will be designed, built and operated according to Alberta Standards (Best Practices).
 - Site will be self-contained, including the following features:
 - Landfill cells will be constructed with compacted clay and/or geosynthetic liner to limit infiltration;
 - External diversion ditch to direct 'fresh' surface water around the site;
 - Internal diversion ditch and runoff holding pond to collect and manage surface water runoff within the site;
 - Leachate evaporation pond;
 - Landfill gas management system;
 - Garbage will be covered daily to enhance the success of litter control, rodent and odour reduction management programs;
 - Site will be fully fenced;
 - A litter control system will be adopted at the landfill cell comprised of a 20-foot-high meshing to contain windblown material; and
 - Site will accept and divert recyclable material, steel and compost material.

Benefits of Development

- Reduced waste service rates for regional members within the RM of Birch Hills and the RM of Invergordon, including the Town of Birch Hills and hamlet ratepayers within these RM's.
- Local employment (possibility of 2 to 4 full time employees).
- Support of local businesses, not-for-profit groups and local municipalities.

Next Steps

- Public consultation meeting will take place on August 21, 2019.
- Rotary drilling program to characterize the full profile of the site to bedrock.
- Detailed auger drilling program to define the character of the shallow geology.
- Development of the site design, operating and decommissioning plans.
- Submission of an application for a new regional landfill to the Saskatchewan Ministry of Environment.
